- The third and fourth ranked entries by lot in the two remaining quarters.

4.7. Competition Plan

4.7.1. Singles

- a. The players entered will be divided in groups of 3 to 4 players, the numbers of groups to be multiple with 2: 2, 4, 8, 16 and so on. Each player will play all the other players in the group.
- b. The players classified 1 and 2 in each group will play a normal tournament competition where only the winners advance to the next round.

4.7.1.1. Classification of Players

The classification of players in each (preliminary) group shall be made on points, namely: One (1) point for each game won and nil (0) points for each game lost. If, at the end of a round, some players have the same number of points, it shall proceed in the following manner:

- a. If two (2) players have the same number of points, the result of the games between them shall have precedence.
- b. If more than two (2) players have equal points, a second classification shall be established, taking into account only the games played between the players with equal points.
- c. Should there still be equality, the players shall be reclassified according to their number of sets won subtracted by the number of sets lost, taking into account only the games played among the players with equal points after the second classification.
- d. Should there still be equality of points and sets, the classification shall be made by "goal" (point) average, taking into account the games played among the players with the same number of points.

4.7.2. Doubles

All doubles are played according to the normal tournament system where only the winners of a match advance to the next round.

4.8. Officials

4.8.1. Referee

The referee shall be fully qualified and certified by the BWF. The referee shall act in concert with the EDSO Technical Director. However, in matters concerning the interpretation of the Rules of Badminton, the referee's decision shall be final.
